ONE PARENT MUST BE ABLE TO WORK AT EACH HOME MEET!

Please look for sign up sheets on the bulletin board each week to sign up for your favorite job. We will also need volunteers for the away meets, however, we will not be responsible for as many jobs at those meets. You will still be able to see your child swim each race while working.

I understand that at least one adult from our family will have to volunteer at each swim meet as part of my child's commitment to the SHRC swim team.
